Selection decisions:

1. Senior teams are selected on a hierarchical basis from the PL team to Metro team/s.
2. Selection decisions will be made by the team coaches together, assisted by the chair of selectors.
3. **The movement of players up or down, remains at the discretion of the coaches and will be influenced by the Section's Selection Criteria.**

Communication of selection decisions:

1. Coaches are responsible for communicating selection decisions and reasons to players in a clear and timely manner. This should be face to face or by phone. Email and text messages are not suitable and should only be used as a last resort.
2. Where a player is moved up or down a grade the coach from the original team will initially communicate the selection decision and the reasons to the player, including the areas for focus and/ or improvement. The receiving coach will also speak to the player about the move and reinforce the areas for focus and/ or improvement.
3. Ongoing communication between coaches and a player regarding that player's progress is encouraged.
4. It is each player's responsibility to inform the chair of selectors, their coach and their team manager of their unavailability for training or matches as soon as it is known regardless of reason.
5. The PL & PLR teams will be selected on Tuesday night.
6. Team lists will be published on Thursday.

Please Note : Due to unavoidable changes to availability movement between teams may occur after the team lists have been published.
